Registration will be processed upon receipt of this form. In order to expedite your registration, it is recommended that you email rather than mail all forms to [info@csc.ca.org](mailto:info@csc.ca.org) as soon as possible. To be fair to all exhibitors, booth requests made over the phone will not be accepted. Please note that the CSCCa National Office must receive a non-refundable deposit of \$200 per booth within two weeks of receiving this registration form in order to finalize your registration. Please note that your booth is not considered reserved until the non-refundable \$200 deposit per booth has been verified and received by the CSCCa. The remainder of the booth payment is due February 28, 2023. Failure to provide both of the described payments by the deadlines given herein will result in the loss of your booth reservation.

## Terms of Agreement

**Booths must be paid for in full by February 28, 2023 unless prior arrangements are made with the CSCCa National Office.** Failure to make full payment by February 28, 2023, will result in the loss of the booth reservation for your company. If cancellation of booth reservations is received prior to February 28, 2023, a full refund, **not including** the non-refundable \$200 deposit per booth, will be granted. If cancellation of booth reservations is received on or after February 28, 2023, but prior to April 4, 2023, a 50% refund will be granted, not including the non-refundable \$200 deposit per booth. **No refunds will be given for any cancellations received on or after April 4, 2023. A \$35 fee will be included for any returned checks. The Exhibitor is responsible for paying the above described amounts, unless the CSCCa National Office has received written notification of cancellation by the dates listed above.**

Exhibitor agrees and represents that it is relying solely upon its own research and investigation in making a decision to enter into this Agreement and that it is not relying on any representations, warranties, statements or intimations by CSCCa or any of its employees, contractors, agents, representatives, or other affiliates concerning the value of the opportunity to participate in the upcoming event, or concerning any future profitability thereof. Exhibitor agrees and acknowledges that any past profitability may not be indicative of future performance at the event. The Company acknowledges that there are factors too numerous to mention which may affect value and profitability of Exhibitor's involvement at the event.

Please be aware that the CSCCa will not limit the number of companies participating in the show with similar or identical products or types of products. The Exhibitor may list specific companies by name it would prefer not to be located adjacent to or directly across from, and the CSCCa will do its best to accommodate this request.

CSCCa reserves the right to deny any reservation or request for reservation for any or no reason.

**Each booth must be solely occupied by one single company.** The Exhibitor agrees to only request badges for representatives of its own company. Each booth is only allowed 4 badges. Additional badges cost \$75 per badge. The Exhibitor will not in any way allow other companies to share its booth space or to be included as a badge holder for its company. The Exhibitor will in no way promote the products of another company.

The CSCCa will provide the Exhibitor with a conference attendee list. This list is only to be used in correspondence prior to and in follow-up for the conference. The Exhibitor will not in any way distribute the information on this list and will only use the information on the conference attendee list in conjunction with the 2023 CSCCa National Conference. The conference attendee list shall be considered "trade secrets" under federal law.

The CSCCa will no longer be accepting hard copies of flyers to the CSCCa National Office to be distributed at the National Conference.

The CSCCa logo is not to be used without written permission from the CSCCa Chief Executive Officer.

**We will be utilizing JP Display as the Service Contractor for this year's conference.** The exhibitor assumes the entire responsibility and liability for losses, damages, and claims arising out of exhibitor's activities on the Orange County Convention Center premises and will indemnify, defend, and hold harmless this facility, its owner, and its management company, as well as their respective agents, servants, and employees from any and all such losses, damages, and claims. In addition, Exhibitor acknowledges that the CSCCa will not be held responsible for any items lost, damaged, or stolen during the conference. **Each booth package includes: 10x10 booth space; 8' high black back drape; 3' high black side drape; and 7" x 40" ID sign. Floor covering is required, and may be either rented from the show decorator or brought in by the exhibiting company.** Also, please note that **Exhibitor Badges do not provide access to speaker presentations at the conference.** Those wanting to attend speaker presentations will need to purchase a guest pass. For more information please contact the CSCCa National Office.

All property of the Exhibitor is understood to remain under his/her custody and control in transit to or from or within the confines of the Exhibit Hall. Exhibitors shall carry their own insurance to cover exhibit material against damage and loss and public liability insurance against injury to the person and property of others. The CSCCa shall not be obligated to carry any insurance for the benefit of the exhibitors. Any damages caused to the convention center facilities by the exhibitor will be the responsibility of the exhibitor. **A certificate of Commercial General Liability Insurance naming CSCCa as an additional insured must be received by the CSCCa by April 4, 2023. Please see attached sample certificate showing required limits and wording.**

Neither party shall be held liable or responsible to the other party nor be deemed to have defaulted under or breached this Agreement for failure or delay in fulfilling or performing any obligation under this Agreement when such failure or delay is caused by or results from causes beyond the reasonable control of the affected party, including but not limited to acts of God, accident, riots, war, terrorist act, epidemic, pandemic, quarantine, civil commotion, breakdown of communication facilities, breakdown of web host, breakdown of internet service provider, natural catastrophes, governmental acts or omissions, changes in laws or regulations, national strikes, fire, explosion, generalized lack of availability of raw materials or energy (a "Force Majeure"); provided, however, that the party so affected shall use reasonable commercial efforts to avoid or remove such causes of nonperformance, and shall continue performance hereunder with reasonable dispatch whenever such causes are removed. Either party shall provide the other party with prompt written notice of any delay or failure to perform that occurs by reason of force majeure. For the avoidance of doubt, a Force Majeure shall not include (a) financial distress nor the inability of either party to make a profit or avoid a financial loss, (b) changes in market prices or conditions, or (c) a party's financial inability to perform its obligations hereunder.
