

A benefit walk for Hilina'i Heffernan

Hilina'i suffers from developmental delays, hypotonia and emotional outbursts. Her condition requires extended individual work with Physical, Occupational, Speech and Psychological Therapists. All proceeds raised will help cover expenses related to her education and special needs services. In addition, a donation will be made in her name to help other children in her situation.

June 12, 2010 (Saturday)
From Hau'ula Elementary School to Variety School in Diamond Head
